Subject: Final responses to EPA comments on Area 40 HHERA
Attachments: RT EPA Comments on Area 40 HHERA.docx

Hi Lynn – Attached are the final responses to EPA comments on the HHERA. Thanks for your help expediting the review of these responses. We anticipate sending the final HHERA out next week with the text included in these responses incorporated. However, if you see a glaring error in the text, let us know by Tuesday and we should be able to correct before sending. Thanks! Chris
